

Dave writes to say that the organisers are looking for help in mounting exhibits for the Stamp World 1990 Exhibition. He believes the mounting will take place April 28th to May 2nd 1990. For anyone living within striking distance of Alexandra Palace what a marvellous opportunity to see at close quarters, philatelic material of the highest calibre. Anyone interested contact Kr.I.D.Crane, 107 Charterhouse Street, London EC1M 6PT.

Dave answered the ad. and was given the task of mounting for Stampex to gain experience. Whilst there he learned that Dr. Jean Alexander, who is a philatelic journalist on occasions, has a Poko machine gathering dust in her kitchen. It is a/the Midland Bank machine. (See Lots 1 & 2 in Auction 7) I do not know her address, but understand she comes from Glasgow. Poko enthusiasts may find a bit of detective work will reap a rich reward.
